

Suggestions for parental contribution to request for EHC Plan

- What do you feel are your child's difficulties and how do these affect access to the curriculum?
- What is in place for her/him now – what is working and what is not?
- What do you feel should be in place that isn't?
- What services are working with your child?
- Do you feel there are any that are missing?
- What are your aspirations and wishes for your child?
